

SCOTTSDALE COUNTRY DAY SCHOOL

The "Give & Get Back" Program

\$200 and get an SCDS water bottle

Redirect \$400 and get an SCDS water bottle (for each SCDS child)

Redirect \$500 and get your family name on the SCDS Giving Tree

Redirect \$1000 or more and get an SCDS Lion (for each SCDS child)

(If \$1,000 is contributed, the family would get the SCDS water bottle, their name on the tree, and the plush SCDS lion toy)

We ask that each family participate in the tax credit program for a total contribution of \$400 - \$1,000 to SCDS for the school year. The contribution program greatly helps SCDS without it costing you a penny. Tax Credits are accepted and are always voluntary contributions.

YOUR \$400 - \$1,000 CONTRIBUTION TO SCDS AS TAX CREDITS WILL NOT COST YOU OR ANYONE ELSE WHO CONTRIBUTES A PENNY!

Example: If you give your \$400 tax credit, a friend gives their \$400 tax credit, and another friend gives a \$200 tax credit to SCDS, you have made your \$1,000 contribution to SCDS, without it costing you or anyone a penny!

From Turbo Tax regarding donations you make for the tax credit program at SCDS and how it affects your federal return: "You receive 15 percent for the first \$200 you donate and 29 percent after \$200," John Gillani, a Calgary, Alberta-based certified management accountant says. Therefore, if you donated \$200 during the tax year, you would receive 15 percent of that donation, or \$30 in tax benefits. If you donated a higher amount, let's say \$400, for instance, you'd receive that same \$30 for the first \$200 of the donation, but for the second \$200 you would receive 29 percent of that amount, or \$58. Altogether for your \$400 donation, you'd receive \$88 (\$30 + \$58). On your federal tax return, "these amounts work similar to a tax credit, they behave as if you had already paid the amount in tax," Gillani says. Therefore, these donations lower your tax liability. By giving SCDS your \$200 tax credit, you get paid \$30 and by giving your \$400 tax credit, you get paid \$88!

Tax Credits at SCDS – Give & Get Back Program!

Filing Jointly - \$400 can be redirected (Your \$1,000 can be reached by asking friends to give theirs)

Filing Single - \$200 can be redirected (Your \$1,000 can be reached by asking friends to give theirs)

This is a dollar-for-dollar tax credit. Ask friends, neighbors, and family members to give theirs too!

If you were to owe \$700 when you file your 2016 AZ taxes, and you gave your \$400 tax credit to SCDS, you would now only owe \$300 (\$700-\$400=\$300 owed).

If you were expecting a \$150 refund on your 2016 AZ taxes, you would now get a \$550 refund. (\$150 + \$400= \$550 refund).
